

PRESS RELEASE

LeasePlan publishes 2018 Annual Report and announces review of strategic alternatives for CarNext.com

AMSTERDAM, the Netherlands, 14 March 2019 – LeasePlan Corporation N.V. today publishes its 2018 Annual Report. You can view the online 2018 Annual Report at www.leaseplan.com/corporate/report.

Featuring interactive content, infographics and videos, LeasePlan's dedicated Annual Report site provides detailed information on the company's financial performance in 2018, as well as highlights from across the business.

LeasePlan also announces a review of strategic alternatives for its CarNext.com business. The review is still in a preliminary stage and no decisions have yet been reached.

About LeasePlan

LeasePlan is a leader in two large and growing markets: Car-as-a-Service for new cars, through its LeasePlan business, and the high-quality three-to-four-year-old used car market, through its CarNext.com business. LeasePlan's Car-as-a-Service business purchases, funds and manages new vehicles for its customers, providing a complete end-to-end service for a typical contract duration of three to four years. CarNext.com is a pan-European digital marketplace for high-quality used cars seamlessly delivering any car, anytime, anywhere and is supplied with vehicles from LeasePlan's own fleet as well as third-party partners. LeasePlan has more than 1.8 million vehicles under management in over 30 countries. With over 50 years' experience, LeasePlan's mission is to provide what's next in mobility via an 'any car, anytime, anywhere' service – so our customers can focus on what's next.
