About LeasePlan

LeasePlan is a leader in two large and growing markets: Car-as-a-Service for new cars, through its LeasePlan business, and the high-quality three-to-four year old used car market, through its CarNext.com business. LeasePlan’s Car-as-a-Service business purchases, funds and manages new vehicles for its customers, providing a complete end-to-end service for a typical contract duration of three to four years. CarNext.com is a pan-European digital marketplace for high-quality used cars seamlessly delivering any car, anytime, anywhere

and is supplied with vehicles from LeasePlan's own fleet as well as third-party partners. LeasePlan has more than 1.8 million vehicles under management in over 30 countries. With over 50 years' experience, LeasePlan's mission is to provide what's next in mobility via an 'any car, anytime, anywhere' service – so our customers can focus on what's next.
