

## Worldwide news

# 05 FEBRUARY 2021 | **ALD Automotive Group rated with 79/100 from Gaïa**

We are happy to announce that our [#CSR](#) activities have received a score of 79/100 from Gaïa 2020 ESG rating. Our score has improved of 3 points compared to last year and we are now positioned in the top 15% of assessed companies, in the general panel and in the Services sector.

Gaïa is the first rating agency evaluating the Environmental, Social and Governance performance of French small and medium-size companies. The assessment is based on 4 categories: Environment, Social, Governance, Relationship with external stakeholders (suppliers/customers).
